

4. To search for help content by keyword, type your search term in the input field, then press **[F1]** to execute the search. Search results for the keyword appear in the **HELP** window.
5. Press the **[LEFT]/[RIGHT]** cursor arrow keys to go to the previous/next page on the contents pages.

2.4.1 Active Icon Help

Displays a list of the currently active icons.

2.4.2 Active Window Help

Displays the help system topic related to the currently active window.

2.4.3 Active Window Commands

Displays a list of the available commands for the active window. You can use the keys listed in parentheses, or you can select a command from the list.

2.4.4 Help Index

This option provides a list of manual topics that link to the information in the on-screen manual. Use the cursor arrows to highlight a topic of interest, and then press **[ENTER]** to access that section of the manual.

2.5 More Information Online
